## PAGE ONE

## 6 PANEL

---

### Panel 1:

We see a recruiter working at his desk. He is supporting his head with his chin and looks really blah. An old lady pokes her head on panel; she is the recruiter's boss. She is far too positive for a Monday. A huge stack of resumes sits on the recruiter's desk. Behind him on the wall, there is a plaque that reads "Recruiter of the Month."

Recruiters Boss: Looks like somebody's got a case of the Mondays!

Recruiter Thought Bubble: Look at this stack of resumes. Always the same crap, never anything new. This is going to be a gong show...

Recruiter: Oh no boss, I love Mondays.

### Panel 2:

The recruiter is holding a lightning shocked blue (like Career Twister site) resume in his hand. A shocked and ecstatic look framed on his face as he holds the resume up as if he just found a pot of gold.

Recruiter: This resume is amazing! Great experience, easy to find skill sets...Wow! I've got to interview this guy!

### Panel 3:

A man has walked in with a suit and shakes the recruiter's hand. The person being interviewed is wearing a sharp suit and has a smile on his face.

Recruiter: Beautiful resume. Nice firm hand shake. Professionally dressed. Good job.

Person being interviewed: Thanks. But I did get some help. Have you been to [www.careertwister.com](http://www.careertwister.com) yet? Check them out.

Recruiter: Interesting. Well Johnny, I have to say, this resume alone should impress my clients. I'll give you a call in a few days.

**Panel 4:** have a caption that says Calgary – from Crescent view heights later that evening

Recruiter sits on a hill overlooking the beautiful city of Calgary. He is smoking on a cigar and a bottle of beer is resting at his side and is still looking at the glowing resume in his hands. The scene should be the spot view of the city over looking from the top of Centre Street (The picture samples are in the email)

He is reflecting on the state of affair of his life.

Recruiter: I can't do this anymore; I can't keep going to work depressed.

**Panel 5:**

Recruiter is still sitting on the hill and pulls out his MAC Laptop and starts surfing the net. The Recruiter goes on to the career twister website using his laptop. A storm approaches the city in the distance.

Recruiter thought bubble: Recruiter: Let's see here. [www.careertwister.com](http://www.careertwister.com) Resumes, Cover Letters... I wonder...with Career Twisters help, could I land my dream job?! I've always wanted to be a... super villain!

**Panel 6:**

The recruiter is now dressed as a super villain. He is flying over the city of Calgary. He is in a sinister, all black outfit, lightning crackling all around him. The Career Twister logo is the symbol on his chest. He laughs sinisterly.

Recruiter: Now, I LOVE Mondays! MUHAHAHAHA!!

Caption: Two weeks later: with the help of one of Career Twisters resumes, the super villain society hired its newest member.

**BIG CAPTION AT THE BOTTOM:**

Career Twister— arming you with the tools for greatness—all we ask is that you use them responsibly...and never for evil.
